The TOEIC® Speaking and Writing Online Preparation Tool

Introduction to the TOEIC® Speaking and Writing Online Preparation Tool

Aim: online tool to measure English language speaking and writing skills important in the workplace in order to help individuals and organizations improve English communication skills and better prepare for success

Content: same test format at the real TOEIC® Speaking and Writing tests

Levels measured: low to advanced

Personalised score feedback: outlines competence categories of candidates, strengths & weaknesses, and areas for improvement

Usage

• Diagnostic evaluations
• Progress measurement
• Practice and preparation for the official test

Format

The TOEIC® Speaking and Writing Online Preparation Tool is an online practice tool.

As the official full length tests, it lasts 1 hour 20 min:

• Speaking Test: 11 questions – 20 min.
• Writing Test: 8 questions – 1 hour

Score range:

• Speaking Test: 4 score ranges
  (160-200, 110-150, 60-100, 0-50).
• Writing Test: 5 score ranges
  (170-200, 110-160, 70-100, 40-60, 0-30).

For each of the score ranges a test taker’s typical strengths and weaknesses are provided as well as tips on how to improve.

Benefits

• Available online 24 hours a day
• Experience the “real” TOEIC® Speaking and Writing tests
• Expert scoring by ETS-trained and certified raters
• Meaningful performance feedback from ETS to strengthen areas that need improvement
• Helps improve speaking skills, writing skills, or both
